

Detailed Job Description Men's Council

Visionary

Helps guide discussion on strategy
Helps team think long-term and strategically
Guides team to think about “why” we do things, not just how to do them
Knows how to “listen”
Committed to the Great Commandment to go and make disciples

Strategist

Able to help team think about the “how” – how the team will move plans forward
Helps team think through process and implications of decision-making
Puts the “meat to the bones” of a plan or outline

Administrator

Keeps team organized and on-task with agendas and documentation
Takes notes and summarizes action items at the end of meetings
Very comfortable with computers
Doesn't dominate or let others dominate discussion
Hold team accountable

Person Gifted with Mercy & Serving

Someone who is sensitive to the people involved and the relational implications of decisions and plans
Able to balance the task-oriented side of the team with healthy reminders about the practical aspects of ministry

Leader/Organizer

Able to rally a team around them to accomplish a goal
Knows a lot of guys and able to motivate them to get involved

Mature Believer/Spiritual Mentor

One who has walked the road with Christ awhile
Has experiences relating to all types of people
Has the gift of discernment
Can bring Scripture immediately to bear on any situation and offers God's wisdom on most items

Communications Person

One who is comfortable with email, newsletter creation, or overseeing phone calling efforts
Works closely with the volunteer program team leader to ensure the right info is getting to the volunteer base in a timely manner

Man of Character

One who says what he means and does what he says he will do.
Can be counted on to follow-through on tasks and projects independently.
